Have Questions about Social Security or Medicare?

Millennium Advisory Services has created an informational webinar to provide an overview of Social Security and Medicare.

This Webinar includes:

- Answers to questions about how your social security benefit gets calculated.
- How your benefit amount will be affected based on what age you decide to begin receiving benefits.
- Information about the general coverages and costs of Medicare.

Help is Available!

Advisors from Millennium are available to meet virtually to:

- Answer questions about the retirement plan.
- Provide financial advice to help achieve short-term goals and retirement goals.
- Offer holistic financial planning.
- Help you understand how your retirement plan savings and Social Security can be used together during your retirement years.

Every Huntington employee has the opportunity to go through holistic financial planning sessions and receive a customized financial plan based off of your goals to and through retirement. Your spouse or significant other is also encouraged to attend. These planning sessions are geared to help answer questions like:

- What changes should I consider making to my retirement plan based on my retirement goals and other goals?
- Am I saving enough to meet my goals in retirement?
- Is my current investment strategy appropriate given what I am trying to accomplish?
